# Draw a Crazy Face

**Boxed Rules:** Two people can play. The first player begins by drawing a line between two dots. Then the second player does the same. Continue taking turns drawing lines between dots until one player has completed a box; that player will place his marks inside the box and take another turn, until the end of the game, when the player with the most boxes wins!

## DOT-TO-DOT

**Boxes!** Rules: Two people can play. The first player begins by drawing a line between two dots. Then the second player does the same. Continue taking turns drawing lines between dots until one player has completed a box. That player will place his initials inside the box and take another turn until the end of the game, when the player with the most boxes wins.
